INTERVIEW SUMMARY

Examiner Cook contacted the Applicants' undersigned representative by telephone on May 15, 2006. During the telephone conversation, Applicants' representative agreed to the cancellation of claim 23, and the amendments to claims 1 and 18 as shown on the attached sheet.

After receiving the Notice of Allowability, the Applicants representative contacted the Examiner by telephone on May 22, 2006 because it did not appear that the Examiner's Amendment accurately reflected the scope of the agreement on May 15, 2006. The Examiner invited the Applicants' representative to fax to the Examiner the attached claims, which was done on May 22, 2006. The Examiner indicated that she would contact Applicants' representative if there was any issues with the attached version of the claims.

CERTIFICATE OF MAILING UNDER 37 CFR § 1.8: The undersigned hereby certifies that this Transmittal Letter and the paper, as described in paragraph 1, are being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on May 22, 2006.

Applicants thank the Examiner for her work on this application and her effort to move this application towards allowance.

Respectfully submitted,

Patrick G. Gattari
